What our volunteers say:

Gina Bonar
2016 President Elect

"Cincinnati AMA provided the avenue for me to very quickly establish a base of credibility and community to build my professional brand and network when I was new in town. It continues to serve as an amazing resource and talent pool, rewarding outlet for my creativity, safe haven for learning, and a truly wonderful group of friends."

Travis Nipper
VP, Marketing
Comm. Committee

"For me, volunteering with Cincinnati AMA has been pivotal to my professional development. I know of no better avenue to gain the experience, exposure, and relationships that help improve one's "self-product" as well as the "self-brand". As my experience has grown over the years, I've also had the rewarding opportunity to "pay it forward" to emerging marketing stars working with them side by side."
